Checklist:

The following documents are required for the application for admission as a doctoral candidate (Dr. rer. nat.) according to § 4 of the doctoral regulations:

- Application for admission to doctoral studies

The application must be enclosed with the following documents:

1. Signed curriculum vitae with a description of personal and professional background including educational background, with information on marital status and nationality
2. Supplemented by a complete list of scientific publications, if applicable.
3. Certified copies of the diploma or Bachelor's degree certificate and the Master's degree certificate (if applicable in the national language and German or English translation. In addition, if you have completed your studies abroad, please submit an „Transcript of records“)
4. Signed declaration on further doctoral procedures
5. Signed supervision agreement according to § 5 para. 4 PromO including project outline for the planned dissertation
6. Participation in a Collaborative Research Centre and/or a graduate programme? If yes, please state the exact name on the application form.
7. Information on doctoral statistics
8. Form declaration of consent for the Graduate Academy

Further information on the Graduate Academy can be found at:
